Subject: SCH Number-2022060230

Greetings:

The only concern the North Sacramento CHP office has with the new construction planned for the [Katherine Johnson Middle School Project \(ca.gov\)](https://www.ca.gov) focuses on adequate entrance and egress into the property for vehicles and pedestrians during school hours. Specifically, entrance and egress during pick up and drop off periods. The current configuration does not provide for the efficient and safe movement of vehicular or pedestrian traffic.

Thank you.

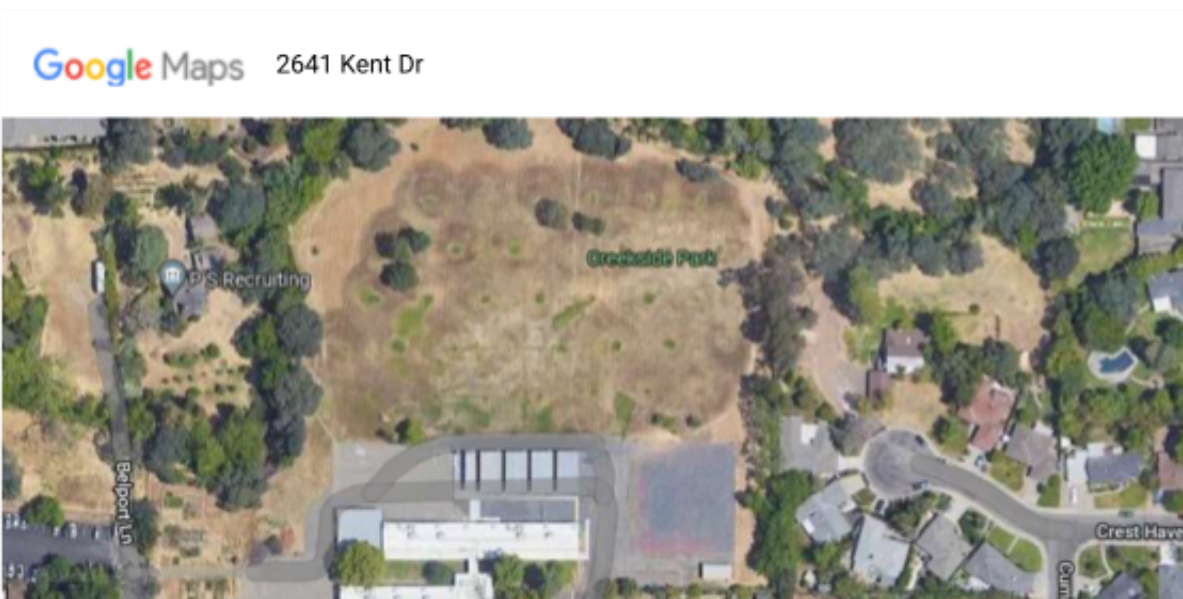

Governor's Office of Planning & Research
